TOURS TO PALESTINE.

IT may not be generally known that Jaffa .is but one night's steaming from Port Said, and that now the most interesting parts of

LOWER PALESTINE, GALILEE & SYRIA

can be visited by rail and carriage with accommodation in hotels. For those, however, who prefer horseback riding and camp life, we Have the best stock of equipment in the country,, and can offer a choice of itineraries. Full particulars of travel in the Holy Land, etc., will be found in special programmes, which can be obtained at any of our Offices. *

CHOICE OF ARRANGEMENTS,

We Have ample facilities for both independent travellers and associated parties, and can arrange for tours over any desired route^either by ordinary camping arrangements or' by railway, carriage, and hotel facilities without camp. Our Conducted Parties cover all interesting routes, in the best possible style, and at moderate fares.

LANDING AND EMBARKATION.

Egypt and Palestine^—Our own boats, and boatmen in distinctive uniform, attend all Steamers at Alexandria, Port Said, Jaffa, Haifa, and Beyrout, for the purpose of landing, embarking, and assisting our clients.
